Climate Change

2015 second warmest year on record for U.S.  
From the National Oceanic and Atmospheric Administration

Divisional Average Temperature Ranks  
January-December 2015  
Period: 1895-2015

The 2015 [annual average U.S. temperature](#) was 54.4°F, 2.4°F above the 20th century average, the second warmest year on record. Only 2012 was warmer for the U.S. with an average temperature of 55.3°F. This is the 19th consecutive year the annual average temperature exceeded the 20th century average. The first part of the year was marked by extreme warmth in

Overview

Rome is the capital of Italy and a special comune. Rome also serves as the capital of the Lazio region. With 2,873,874 residents in 1,285 km<sup>2</sup>, it is also the country's most populous comune. It is the fourth-most populous city in the European Union by population within city limits. It is the centre of the...

Cirkled In

The logo for Cirkled In is displayed on a solid blue background. It features the text "cirkled in" in a lowercase, sans-serif font. The word "cirkled" is in a light blue color, and "in" is in a slightly darker shade of blue. Above the letter "i" in "cirkled", there are three small, dark blue circles arranged horizontally, which serve as a decorative element or part of the brand's identity.
